Your Affiliate Link

Your unique affiliate link is your dedicated URL. When a visitor clicks on your affiliate link, our system will mark that visitor as yours. When there's a purchase made through your link, Affiliate System automatically checks if the visitor was referred by you & gives you the credit with generous commission. You can use your affiliate link to refer users to Hosting24 via email, by placing it on your website, by inviting friends on social networks or by posting it on forums.

Everything starts with your personal link. Promote it freely!

Copy & Share your unique link with your friends or website visitors

How your affiliate link works

Your unique affiliate link is your personal URL, which you should promote and to which you should be sending all your visitors. When a visitor clicks on your affiliate link, our system will mark that visitor as yours. When the visitor that came to Hostinger through your affiliate link makes a purchase, the Affiliate System automatically checks if the visitor was referred by you & gives you the credit with generous commissions. You can use your affiliate link to refer users to Hostinger via email, by placing it on your website, by inviting friends on social networks or by posting it on forums, etc. Each visitor that clicked your personal link is active for 60 days. If a visitor makes a purchase within 60 days after he/she clicked on your personal link, you'll be rewarded with the commissions. Note: If visitor clears web browser, it will no longer be active & visitors activity won't be tracked.

Banners

In Banners section, you'll find a variety of colourful banners to place on your website. Choose the size & design that best suits your website and start promoting Hosting24 services.
Small tip: From our experience best converting banner dimensions are: 300x250, 728x90

300x250 Medium Rectangle Banner
